Alumni Survey

Thank you to everyone who participated in our Alumni Survey. Nearly 1,000 Alumni participated from 22 countries "It's not what you think, it's how you think." That should be the mantra of Old Rhodians. Some 54% of nearly 1,000 alumni surveyed by Rhodes University this year believe their academic experience at Rhodes stimulated critical thinking and a questioning mind. But most importantly, 99% of Old Rhodians believe they had an extremely memorable and valuable time at Rhodes, or a positive life stage experience.

Download the 35-page report on the alumni survey by clicking the icon above. Please share or post this link among your Old Rhodian networks. We welcome feedback and support, as the university seeks to raise funds for ambitious infrastructure and research program expansion.

Many thanks to Old Rhodian Donovan Neale-May, Chairman of the Rhodes Trust USA, and Sable Accelerator for making this survey possible
