

SBF and YFM Present the

FRANK TALK Radio Dialogue

On October 30, 2012, the Steve Biko Foundation, in collaboration with YFM, will host the second session of the FrankTalk Radio Dialogues. Titled after the pseudonym under which Biko wrote, FrankTalk is designed to engage young people in discussion on salient issues impacting South Africa's political, economic and social development.

In commemoration of the 35th Anniversary of October 19, 1977, Black Wednesday, the upcoming dialogue will explore *Banning and Banishment* through the experiences of those who suffered this practice during Apartheid.
