

SIHLANGULE

About the Author:

Sihlangule M. Siwisa has a Bachelor of Arts in Economics and Mathematical Statistics from Rhodes University and has authored two other works, Afrika, Arise and Giant Steps. He recently won the Solomon Mahlangu Freedom College Young Writers Award in 2012, and the prize is an OR Tambo Educational Tour to Swaziland, Mozambique, and Tanzania. He resides in Johannesburg, South Africa.

A dream delayed is not a dream denied.

This is the true story of Sihlangule Siwisa, a South African man who decided to quit his job and the height of the global recession to follow his dream of starting his own publishing company. However, it was through the failure of that company that taught him the importance of not giving up on his dreams—and now he is offering his advice to you. In the inspiring *The Courage to Begin Again*, you will follow Sihlangule’s journey as he explains how he overcame financial ruin and despondency and has experienced overwhelming triumphs in his life to this day.

In this encouraging and thought-provoking memoir, you will learn the value of patience, perseverance, and tenacity while in the pursuit of your goals and ambitions. Delve into the poignant *The Courage to Begin Again*, face your failures and disappointments head-on, and find the courage to pick yourself back up and overcome your life’s letdowns. After all, just because your dreams have been delayed doesn’t mean they’ve been denied.
