Transport to Makhanda

Rhodes University is in the little town of Makhanda/Grahamstown in the Eastern Cape of South Africa. International travellers will likely fly into ORT airport, Johannesburg or Cape Town International Airport, Cape Town. From there it is another flight to Gqeberha/Port Elizabeth. And then, you can hire a car or get a shuttle for the 120km trip to Makhanda/Grahamstown. There are several options:

Find a list of **shuttle services** below.

You may also like to consider **renting a car** for the duration of your time in the Eastern Cape. There is a bigger selection if you hire from the airport. If you'd like to rent a car in Makhanda, your options are Bluu Car Rental and Avis Car Hire.

A lot of students **carpool** between Makhanda and Airports. To facilitate this, we have two active Facebook groups that people ask and offer lifts on - often much cheaper than shuttles. Shuttle services also advertise their daily trips on these pages if you need to find somebody quickly.
