CARD CATALOGUES

Cory Library has several card catalogues for retrieval of older material not yet transferred to the online catalogue. Specialist catalogues were compiled by previous Cory Library staff, as well as successive years of Library and Information Science (LIS) students at Rhodes.

We suggest searching through the card catalogues as well as on the OPACs.

Author / Title catalogue

Covers mainly published material held in Cory.

Subject Catalogue

A useful guide to books, documents, some periodical articles and maps; also family names.

Manuscripts and Documents Catalogue

Manuscripts (MS) and printed documents (PR) include mainly personal documents such as diaries, autobiographies, family histories and farmers' diaries, and well as material from churches, local political and non-governmental organisations, business and professional bodies, service clubs and education institutions.

Grahamstown Journal (GTJ) Index

This index covers 1831-1920, the run of the newspaper before being absorbed by *Grocott's Penny Mail*. This index is alphabetical by surname containing notices for births, marriages and deaths, as well as events relevant to local citizens, such as voter registration. It covers mainly Grahamstown but also Lower Albany, Fort Beaufort, King William's Town, Peddie, Queenstown and environs.

Note: Many entries are in full, so the fragile newspapers do not need to be consulted.

Grocott's Mail Index

Covering 1955-1965. It is arranged by surname and subject.

Eastern Province Herald

Covers 1845-1960. Arranged by surname.

Cape Monthly Magazine

Covers the 1870s and is sorted by author, and separately, by title.

Annals of the Grahamstown Historical Society

The index covers 1972-1989. There is a useful index to illustrations at the back

Rhodian Index

From 1906-1946. Omitted 1906-1943: Office bearers in sports clubs, team members, details of matches, plays, names of performers and producers, some debating society speakers. From 1944, all references to individuals are indexed. The index was compiled by Miss AC Dick, a Library and Information Science lecturer.

Periodical Catalogue

This covers Cory Library holdings of mainly 1800s periodicals. Arranged by title.

Map Catalogue

The catalogue is subdivided into: alphabetical; area classification (e.g.: Midlands, Border Area); by cartographer, and a listing of our old 1:50 000 topographical series maps for South Africa.

Pictorial Catalogue

This includes art, photographs and other pictorial works, arranged by surname as well as a wide variety of subjects.

Eastern District Court (EDC) and Salem Baptisms

Covers the period 1862-1871. These two series are in one catalogue as entries often refer to the same person. Arranged by surname, it includes Jury lists.

Methodist Obituaries

From 1815 onwards, referring to obituaries published in the British and South African Methodist Church *Minutes of Conference*.

Church Registers

Selective entries for baptisms, marriages and burials for the following places: Aliwal North, Bathurst, Bell, Chalmers, Peddie, Colesberg, Fort Hare, Ely, Auckland, Keiskamma Mouth, Somerset East, Graaff-Reinet and Grahamstown (St George's Cathedral and Christ Church).

A more comprehensive listing is the *Guide to Church Registers* ("White Books") arranged by place, denomination and individual church, available on request from the librarians.

Cory Biographical Notes

This useful index has been compiled from a variety of sources in the Cory Library, compiled by various library staff over many years. Arranged by surname.

Registers of Documents

These printed accessions registers are available on request and are the key for searching specific collections. The bulk of the earlier collections have been included in the *National Register of Manuscripts* (NAREM).
