ACKNOWLEDGEMENT.

The work of organising the manuscript collection of the Ccry Library for Historical Research, some of the results of which are presented in this list of accessions, has been made possible this year, as in 1950, by a grant from the National Council for Social Research. The Librarian of Rhodes University wishes to record his grateful thanks to the Council for its most generous assistance.

RHODES UNIVERSITY
CORY LIBRARY FOR HISTORICAL RESEARCH.

LIST OF ACCESSIONS, NO. 7. 1 October 1950 to 30 May 1951.

This list is an inventory of material in the library arranged alphabetically according to the names of the signatories of items, or according to the subjects of illustrative matter. Books, pamphlets, periodicals and newspapers are not included in this list.

Items numbered 3702 to 3729 are letters and telegrams exchanged by John Henning and other officials connected with the Tembu Commission of 1883.

Items 3730 to 3763 are a portion of the papers of A.E. Nelson which were presented to Rhodes by his descendants. Most of the material so far catalogued relates to the Grahamstown Volunteer Horse Artillery, and includes records of the unit on active service in the Basutoland campaign of 1879.

The largest portion of this list, items 3766 to 5639, consists of the papers of William Potter, his son-in-law William Hyde, and William Potter Hyde his grandson, dealing with a wide variety of business and farming matters in Albany from about 1850 to 1900. They were given to the University by Mrs. R.W. Palmer, a great-granddaughter of William Potter, as a result of a visit from Miss Una Long while she held a grant from the Leverhulme Research Fellowship to locate a list of unofficial manuscript records relating to South African history.

The six previous Accessions Lists issued are:-

No.1	1.10.1945	-	30.9.1946
No.2	1.10.1946	-	30.9.1947
No.3	1.10.1947	-	31.3.1948
No.4	1. 4.1948	-	31.3.1949
No.5	1. 4.1949	-	30.11.1949
No.6	1.12.1949	-	30.9.1950.

A few copies of Nos. 4, 5 and 6 are still available for distribution. Supplies of Nos. 1, 2 and 3 are exhausted; these lists may be consulted in the Cory Library.
