

UMYALEZO WOKWAMKELA OVELA KWINTLOKO

YESEBE

Wamkelekile kwiwebhusayithi entsha neyenziwe ngokutsha yeSebe lezoQoqosho kunye neMbali yezoQoqosho. Eli sebe lelinye lawona makhulu ekhampasini yaseYunivesithi iRhodes, kwaye lineqela labasebenzi elidibanisa amava kunye namandla amatsha anxulumene nolutsha. Nangona iSebe lezoQoqosho lilikhulu, ngokwemigangatho yaseYunivesithi iRhodes, abafundi banikwa umncedisi (tutor) kwaye banexesha lokungena ityhuthoriyali qho ngeveki okanye qho kwiiveki ezimbini kuzo zonke izifundo zabangekathweswa sidanga (undergraduate). Iwebhusayithi ibonelela ngolwazi malunga neendlela zokufunda kweli Sebe, abasebenzi, uphando, imisebenzi yesebe kunye neenkukacha zonxibelelwano.

Isifundo sezoQoqosho sinceda abantu, amashishini, kunye norhulumente ukwenza izigqibo malunga nendlela yokusebenzisa izixhobo ezinqongopheleyo ngendlela ezinzileyo nelinganayo..

ISebe lezoQoqosho kunye neMbali yezoQoqosho lixhobisa abafundi ukuba bakwazi ukukhetha kuluhlu lwezifundo kwinqanaba labangekathweswa sidanga nakwi-Honours. Ezi zibandakanya imali kunye neebhanki, uqoqosho lwezeMali, uqoqosho lwezeMali noRhwebo, uqoqosho lukarhulumente, i-*Econometrics*, urhwebo lwamazwe ngamazwe, uqoqosho loPhuhliso, kunye noqoqosho lokuSingqongileyo nezixhobo zendalo. Ezi zifundo zijolise kumsebenzi ziya kuvumela abafundi ukuba babe ziinkcubabuchopho zoQoqosho kwiindawo ezahlukeneyo zemisebenzi yanamhlanje. Kubafundi abanqwenela ukugxila ngakumbi kwezoQoqosho, kukwakho nesidanga se-Bachelor of Economics.

EzoQoqosho sisifundo esinyanzelekileyo kumfundi ngamnye kwiFakhalithi yezoRhwebo (*Commerce Faculty*) kwaye siyanconywa njengesifundo esihambelanayo nezifundo Nzululwazi Yentlalo. Ngenxa yokuba uQoqosho luchaphazela iinkalo ezininzi zobomi, lunokuthathwa ngokulinganayo kunye nazo naziphi na ezeNzululwazi, i*Journalism*, i*Computer Science*, i*Drama*, u*Mculo*, i*Politics and International Studies*, kunye nezinye.

UQoqosho eRhodes lufundiswa kumanqanaba aliqela. Ikhosi yonyaka wokuqala ijongwe njengentshayeleyo ebanzi yolu qeqesho, eya kunika abafundi abathatha unyaka omnye kuphela kwezoQoqosho ukuqonda okuvakalayo kwimiba esisiseko ye*microeconomics* kunye

nemacroeconomics, ngelixa ibeka iziseko apho isifundo esiqhubela phambili sisekelwe khona. Kunyaka wesibini, abafundi baqhubela phambili *nemicroeconomics* yenqanaba eliphakathi kunye *nemacroeconomics*, emva koko, unyaka wesithathu kunye nezifundo zeHonours zivumela ubugcisa obungakumbi kwiinkalo ezigxile kwikhondo lomsebenzi.

ISebe libonelela ngeMasters kunye nezidanga zobugqirha ngokwenza uphando lwethisisi. Ezi ndlela zifumaneka kubafundi abanqwenela ukugxila kumba othile wophando loQoqosho. Ukwamkelwa kwezi zidanga kuxhomekeke kwirekhodi yangaphambili yezifundo zomfundi, isindululo sophando esamkelekileyo kunye nokufumaneka kobuchule kwiSebe ukujongana neprojekthi. Isidanga se *Masters of Commerce* kwii *Financial Markets* sikwabonelelwa ngezifundo kunye nethisisi encinci. Esi sidanga sijolise ngokukodwa kwikhondo elikhethekileyo kwicandelo lezemali/lebhanki.

ECO 102 - iMACROECONOMICS

IMacroeconomics 102 yenzelwe ukwakha phezu kweziseko ezibekwe kwikhosi *iMicroeconomics* 101 enikezelwa kwisiqingatha sokuqala sonyaka, apho uninzi lwabafundi luya kuba luyigqibile. Ngelixa sisebenza phantsi kwengcinga yokuba abafundi banolwazi oluthile olusisiseko ukusuka kwi-101, siyabamkela abatsha ababhalisele i-102 nokuba abakhange bathathe okanye baphumelele i-101. Kule minyaka imbalwa idlulileyo, esi sifundo sithe gqolo sagcina izinga eliphezulu lokuphumelela, elibonisa inkqubo yenkxaso eyomeleleyo ekhoyo kunye nokuzinikela kwabafundi kunye neSebe kwimpumelelo yezifundo.

- Ii-akhawunti zengeniso yelizwe
- Amanani esalathiso
