This portfolio has the potential to become the most rewarding and unifying one on House Comm. In order for this potential to be realised you are going to need to be organised, creative and persuasive.

- If you want to do collections for things:

Feeling like you are getting hand-outs is not a great way to build a relationship or empower people: everyone has something to give, a skill to pass on and it is YOUR job to facilitate this mutually-beneficial relationship. Examples of the give-and-take model: You can ask your community partner to teach you to speak Xhosa in exchange for helping them to erect a fence around their food garden, they can teach you to bead, knit, cook something delicious, dance, tell you about local history, give you a tour of their neighbourhood – be creative and you will reap the rewards of this kind of partnership model.

Other options include having a complaints page stuck up on your res door or getting people to email you. Alternatively you could start a facebook group or use one if your res already has one and get comments about food there. **HOWEVER**, please also encourage students to e-mail their **COMPLAINTS** to the Hall Administrator ASAP with specific information so that this can be taken up straight away and be dealt with quickly and efficiently, instead of waiting for Food Rep Meetings, especially when these are urgent matters.
 - If you feel that a problem is not being addressed you may e-mail the Food Services Manager, Simon Wright, s.wright@ru.ac.za
 - At the beginning of the year make sure you meet with the Hall Administrator and make sure the Hall Administrator e-mails you the Rules for Social Functions, including menu options and details

 - If you are having a braai please state whether or not you want your meat marinated.
 - E-mail the Hall Administrator (before the attendance register is handed in) a list of everything you require to make sure that catering provides you with everything and nothing is left out, and this is also useful for the Caterers. *For example:*

Please can catering provide the following for the braai in lieu of lunch:

- No functions may be held in the two week period prior to Swot Week for the June and November exams.

Your receipts (for res & tuckshop) need to be stuck down (glued/no prestik, staples or tape please) on A4 paper in order and numbered as per numbering on your financial record. If you have enough space on your financial record please put each receipt on a separate line. If you do not have enough space/lines you can group your receipts, e.g. res function receipts (12 A-C) on one line and the total recorded. **THERE MUST NOT BE ANY MISSING RECEIPTS.** Res and tuckshop finances are to be kept separate.

Also remember to round down/record the exact amount paid e.g. amount on receipt is R20.68 – this needs to be rounded down to R20.60 – the actual amount paid.
