## **HUGH MASEKELA HALL RULES**

The purpose of this section is twofold:

- to provide general information about Hugh Masekela Hall and its residences, and;
- to set out the rules applicable to Hugh Masekela Hall (known as the Hugh Masekela Hall rules).

NB

All students residing in Hugh Masekela Hall and their guests are required to conform to the rules of Rhodes University as published in the Student Disciplinary Code (SDC), in the University Calendar, and the Hugh Masekela Hall Rules.

Some of these rules are ADDITIONAL to those set out in the Student Disciplinary Code.

A breach of any of these rules will be regarded as a disciplinary offence, which may result in a disciplinary penalty being imposed.

These rules are applicable to all residences in the hall.

## 1 ABSENCE FROM RESIDENCE

If a student is to be absent from his or her house overnight or longer they are required to sign out in the book at the entrance door. (Note: this rule has been made in the interest of the student's safety and the safety of others, in the event of an emergency situation such as a fire. It will also be of assistance in the event of urgent messages from relatives' e.g. serious illness at home).

## 2 ALCOHOL

### *Possession and consumption of liquor/alcohol*

- 2.1 Normally alcohol that IS ALLOWED in residence should be in the form of beer, wine, spirit coolers and premixes, where the concentration of alcohol should not exceed 20% by volume, (ethanol 20%v/v). Other forms of alcohol are only permitted during functions with the written permission of the Hall Warden and when Wardens are in Residence.

Beer and wine, in moderate quantities only, may be consumed only in:

- Student rooms; or
- One Common Room in each house.

- 2.2 Beer and wine may only be consumed in the House Common Room (one) at the following times:

Weekdays	17h00 (5.00pm) until 22h30 (10.30pm)
Saturdays	12h30 (12.30pm) until 14h00 (2.00 pm) and 17h00 (5.00pm) until 23h30 (11.30 pm)

- 2.3 For the sake of clarity

2.3.1 This means that no liquor may be consumed in the dining halls (including the balconies, toilets, passages, bathrooms and entrance foyers of the houses, the grounds and environs of the Hall and Houses).

2.3.2 Students may not carry open bottles or glasses of beer or wine in the areas mentioned above in (2.1).

- 2.4 House Wardens may at their discretion further limit the times and places during which and in which beer and wine may be consumed in their residences.

- 2.5 No liquor of any sort may be sold, bartered or exchanged at any time. This is a contravention of the liquor act. Thus no beer clubs are permitted. Those students operating the kiosk in each residence may not buy liquor on behalf of other students in residence.

- 2.6 The holding of any kind of drinking games or drinking competitions, including but not limited to "down downs", "boat races", "funnelling" is prohibited.

- 2.7 No "parties" may be held in private rooms or the common rooms without the House Warden's authority. The presence of three people in one room with loud noise, music and alcohol will be construed as being a party.

- 2.8 Any departure from these instructions may only take place with the express authority of the House Warden in writing.

- 2.9 No alcohol shall be taken into or consumed in a House, the Hall or Hall premises

otherwise than in accordance with the rules issued by the Hall Warden.

- 2.10 Under no circumstances may any liquor be given to any University employee for any reason at any time.
- 2.11 Drunk and disorderly conduct, including but not limited to vomiting or urinating in public, will not be tolerated and is subject to disciplinary action.

**NOTE:** Heavy sentences may be imposed for a breach of this rule.

### 3 AMENITIES

*Each residence has its own:*

- television set (with M-Net and DSTV)
- DVD player
- washing machines
- tumble dryers
- microwave oven
- fridge

These amenities constitute University property and are protected as such (see section 12, “Damage and Loss of University Property”).

### 4 ARRIVAL AND DEPARTURE

*Every student must:*

- 4.1 report to his/her Warden/Sub-warden by signing the arrival and departure register at the beginning of each term and also when leaving the Hall for vacations.
- 4.2 return his/her room keys to the sub-wardens before he/she leaves for vacation, unless specifically instructed otherwise.

### 5 BOX ROOMS

- 5.1 The box room keys should be handled only by the warden or sub warden of the respective residences.
- 5.2 One of the abovementioned persons must be in attendance whenever the box rooms are opened.
- 5.3 A list, provided by the Hall Administrator, will be used to record contents checked in and out. This is to be filled in by any student who places items in the box room and countersigned by the warden or sub warden in attendance. The student signs so that s/he can certify s/he has placed the items in the box room and the person on duty signs so that a record of who was on duty exists and that person verifies that particular items were placed in the box room.
- 5.4 No items will be put into the box room unless they are boxed, sealed and labelled by the student (e.g. Box 1, Student Name and Student Number).
- 5.5 If the student rooms are to be packed up (at the end of a term or end of the year), students may only place their goods in the boxroom at the times agreed on by the Warden in consultation with Sub-Wardens. These should be made widely known well in advance of the vacation.
- 5.6 At the beginning of the term a time should be set aside on two or three consecutive days for the box rooms to be opened (say 6pm - 7pm) where the warden or sub warden are in

attendance. The students will then sign their boxes out of the box room on the list countersigned by the warden or sub warden. The box rooms should then be locked for the term and the keys given to the warden or sub warden for safekeeping for the rest of the term. Naturally if a student arrives later than the above dates arrangements must be made with the warden or sub warden to open the box room at a later stage.

- 5.7 All property left in the box rooms must be removed by the end of the first term. If such property is still in the box room at the beginning of the second term it will be disposed of. The house committee will decide which charity to donate the items to. Students must adhere to the residence specific arrangements regarding box room usage.

- 12.3 Room Statements must be completed immediately when a student arrives in residence and must be handed to a sub-warden within 24 hours of arriving to the residence. Failure to do so will result in the student concerned being held responsible for damage to and/or loss of property subsequently found.
- 12.4 **NOTE:** Special care must be exercised to avoid damaging carpets by flooding. In particular, taps must not be left on when the water supply is turned off. If you are not sure whether the tap is turned off take the plug out of the basin.
