No-one has the right to hurt or touch you in a way you don't like, or to verbally abuse you.

You too can be a CPAF Captain.

Children are protected in South Africa. If something like this happens again, tell a CPAF Captain or an adult you trust or call one of the CPAF numbers.

Thank you so much, CPAF!

HOW THE CPAF CAPTAINS STARTED FIGHTING CHILD ABUSE...

Have you guys heard about the awful thing happening to the lion cub on my street?

No, what happened?

The lion cub's mom works all day and her "friend" the hyena is supposed to look after him.

But the hyena abuses the cub. He hits him and won't let him eat anything.

You're going to jail for a long time. I'm so glad the CPAF Captains were here to save the day.

Noooo!

You can't do this to me!
It's my word against his,
and I'm a grown-up.
You have to believe me!

Using your status to abuse
children is disgusting!
I'm calling the police.
