

We extend an invitation for you to attend an

Elsevier workshop

Lucia Schoombee

(Elsevier Consultant – Research Intelligence (Africa))

In collaboration with Rhodes Library

WORKSHOP AGENDA

Part 1 - Smart strategies to conduct a comprehensive literature search

Quick ways to identify key authors, institutions, publications and journals in your field of research

Part 2 - Build your research network and enhance your visibility

Understanding author profiles & ORCID as a unique author identifier

Part 3 - Measure and benchmark your research performance

Demystifying H-index and other research metrics

Useful metrics to demonstrate the impact of your research and to use in funding/grant applications

Part 4 - Select the right journal to publish your research

How to determine journal reputation

Suitable metrics and what they tell you

Understanding the criteria for determining quality journals

Avoiding predatory publication

Date: 1st August 2017

Time: 10h30 to 13h00

Venue: Rhodes University Library

Xstrata Training Room (Level 2)

RSVP Debbie Martindale at

d.martindale@ru.ac.za or 6037307
