Important Information on Fees and Payment Options

INITIAL FEE PAYMENT DEADLINE: 26 JANUARY 2024

PAYMENT OPTIONS

In addition to the deposits payable for an academic place (R800.00) and for on-campus residence allocation (R1,000.00), an initial fee payment is required before 26 January 2024. The initial fee payment for South African students is 10% of the annual tuition fee and 25% of the annual residence fee.

For international students, 50% of both tuition and residence fees (subject to confirmation of tuition and residence fees due for the year). The amount is payable before a student is allowed to register for any degree, or to enter any residence.

1. Payment of Full Fees by 26 January 2024 (All Students)

A 5% discount may be **claimed in writing** if the full annual tuition fee, and if applicable, full annual residence fee is paid **on or before 19 January 2024 for returning students and on or before 26 January 2024 for first time entering students**. The discount cannot be applied to tuition or residence fee separately as it applies to full fees.

4. Payment by Debit Order Arrangement

Payment can be arranged by debit order with 11 instalments from 01 February 2024 - 01 December 2024. The debit order instruction form can be obtainable from debitorders@ru.ac.za or on the Rhodes website at www.ru.ac.za/studentfeesandfinancialaid/. The form must be completed and signed by the person whose bank account is to be debited. The form should be returned to the student fees office, with the required supporting documents, by 12 January 2024.

A penalty of R247.00 will be charged on all unpaid debit orders. Three consecutive unpaid debit orders will result in the automatic cancellation of the debit order facility.

FEE REMISSION

Fee remission is applicable to full-time students only. Where a parent has more than one child attending Rhodes University at the same time, each child, after the first, qualifies for a 30% deduction off the normal tuition fees. A written application should be made to the student fees office to facilitate this. The 30% deduction can offset the registration amount, but this should be communicated to the fees office before 26 January 2024.
