International Journal of Art and Art History

ISSN: 2374-2321 (Print) 2374-233X (Online)

[International Journal of Art and Art History](#) is a scholarly journal which supports and promotes the study of the art and practice of art historical writing. The journal is committed to studying art historical scholarship, in its institutional and conceptual foundations, from the past to the present day in all areas and all periods. This journal ignores the disciplinary boundaries imposed by the Anglophone expression 'art history' and allow and encourage the full range of enquiry that encompassed the visual arts in its broadest sense as well as topics now falling within archaeology, anthropology, ethnography and other specialist disciplines and approaches. It welcomes contributions from young and established scholars and is aimed at building an expanded audience for what has hitherto been a much specialized topic of investigation. The journal also accepts notes, reviews, letters, bibliographical surveys and translations in addition to articles.

The journal is published by the [American Research Institute for Policy Development](#) that serves as a focal point for academicians, professionals, graduate and undergraduate students, fellows, and associates pursuing research throughout the world.

The interested contributors are highly encouraged to submit their manuscripts/papers to the executive editor via e-mail at editor@aripd.org.
