The way forward: Mass rearing and releasing

Centre for Biological Control mass rearing, Makhanda Team of people living with disabilities mass rear biocontrol agents for release around South Africa

Community satellite rearing stations 10 satellite rearing stations established around Hartbeespoort Dam Community members take responsibility for rearing and releasing agents

Biological Control

Bridging boundaries: Six years of community engagement with biological control implementation and monitoring of water hyacinth on Hartbeespoort Dam, South Africa

Rosali Moffat ^{a,b,*}, Kim Weaver ^a, Samella Ngxande-Koza ^a, Keneilwe Sebola ^a, Kelby English ^a, David Kinsler a, Julie Coetzee

Essential to establish more satellite stations at additional invaded sites
